## SUMMARY

A MERN stack developer who is proficient in problem solving and web development in order to exist as a successful one in the field of software development. Tries to be a perfect one in all aspects and can easily adapt to my surroundings.

## EDUCATION

**B.E., Computer Science Engineering**

Graduating May 2025

8.4 GPA

PSNA College of Engineering and Technology,

Relevant coursework: DBMS, Operating Systems, Object Oriented Programming, Data Structures and Algorithms

## TECHNICAL SKILLS

**Frontend Languages:** HTML, CSS, Javascript

**Frameworks:** React.js, Express.js, Node.js, Bootstrap

**Programming Languages:** Java, C++, C

**Certifications:** Fullstack Web Development Bootcamp from Udemy– July 2023,

SQL Basics from Skillrack -February 2023

**Workshop:** Internet of Things, attended a two days workshop under the domain IoT and learned through a lot of tech advancements, implemented those learning into a project from which I secured second place at final competition.

## ACADEMIC PROJECTS

**Weather Application**

July 2023

Developed a Weather Web Application which describes the weather and forecast upto 3 days.

- Frameworks: React.js, Node.js, Semantic UI
- API: Open Weather API
- [Website](#)
- [Github repo](#)

**Chat Application using Java**

November 2022

Developed a Chat Application in which users can chat among themselves using a centralized server

- Programming Language: Java
- FrontEnd Tools: SceneBuilder, JavaFX
- Concepts: Socket Programming
- [Github repo](#)

## COMPETITIVE PROGRAMMING ACHIEVEMENTS

[Codechef](#)

3 Star with 1750+ rating in Codechef

[Leetcode](#)

250+ Problems solved with contest rating of 1800+

[GeeksForGeeks](#)

250+ Problems solved along with 4th Rank in Institute Level

[Hackerrank](#)

5 stars in Java

[Google Farewell Coding Competition 2023 Round A](#)

1161-st Rank

## ACTIVITIES

**Codigo Co-ordinator**

April 2023

Organized and Conducted a Coding contest for my department juniors

- The main purpose of this event is to test the DSA skills of the students by asking them to solve problems which was handpicked by me.
- The students who solved those problems within allotted time were also awarded with prizes as an encouragement.
